General Order Comments:

- TT/STS (Solid Tube Series) \*\*OTA-only\*\* telescopes include (but are not limited to) the following standard components (unless otherwise specified above via any upgrades, additions or deletions):
  - Primary mirror center-spotting service utilizing CatsEye “HotSpot”;
  - 2”/1.25” low profile machined helical focuser (unless otherwise upgraded above);
  - 3-vane Curved Spider from Destiny with secondary mirror attached via RTV silicone;
  - 6-point PLOP-optimized flotation mirror cell from Aurora Precision;
  - Built-in 12-volt cooling fan with On/Off switch and 1/8” female RCA plug for battery connection;
  - Telrad zero-power Reflex finder;
  - Aluminum OTA with a “Alien Grey” exterior powder coat finish and lined with black, adhesive-backed, velvet interior;
  - Choice of hardware finish (Brass, Black, or Nickel/Chrome);

Specific Order Comments:

- Alien Grey Powder Coat for OTA;

Payment Details:

- By acceptance of this invoice the customer agrees to submit payments on the following schedule:
  - 1) 50% deposit prior to beginning of production run;
  - 2) Remaining 50% due on primary mirror when optician completes primary mirror (if applicable);
  - 3) Remainder of balance on this invoice immediately following “First Light” of telescope;
  - 4) Full payment on shipping, insurance, packing, materials and labor immediately following shipping (if applicable).

Additional information, including descriptions and pictures, on all of the components listed above can be found at our website ([www.TeetersTelescopes.com](http://www.TeetersTelescopes.com)) under the “Full List of Standard Components” and “Available Upgrades & Add-ons” links on the various pages of our Catalog.

We thank you for the opportunity to build your new Teeter’s Telescope. Should you have any questions, comments or concerns, please do not hesitate to call or write.

Respectfully Submitted,

*Robert J. Teeter Jr.*  
Owner, Teeter’s Telescopes, LLC.
